

AFCCC FACEBOOK PHOTO PERMISSION

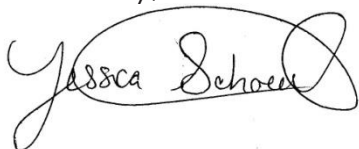

Dear Parents,

This year, Altoona Family Child Care Center will be teaching several lessons and making many projects that use digital photography in the classroom. These lessons will reinforce the important role that visual imagery plays in the learning process.

We have also created a personal Facebook site to serve as a way for you to stay connected with our classroom. With your permission, we will be adding your child's photos to our business Facebook page.

Please return the permission slip below with your enrollment materials. Not only will you be able to view our classroom photos online, you will also be able to share these photos with family and friends.

Sincerely,

Jessica Schoettle- Administrator,
Family Child Care Centers Inc.
